Step 1:
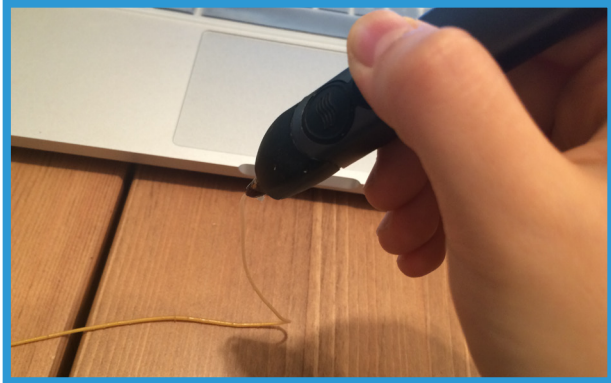

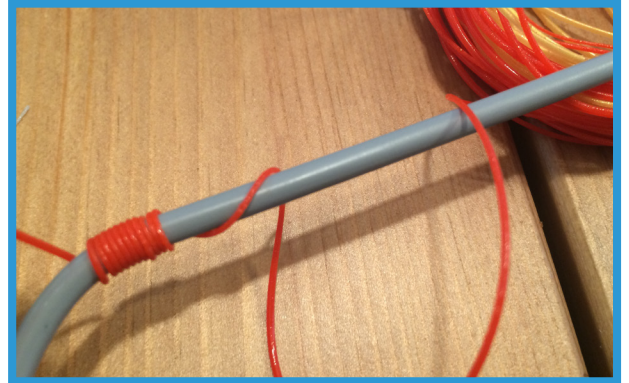

Start by letting flexy flow through the pen. Make sure to use at least 6-8 strands of plastic.
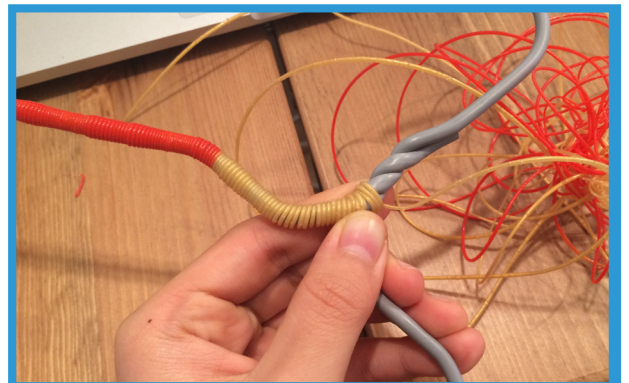

Step 2:

Wrap the wire of the hanger with the doodle tightly.
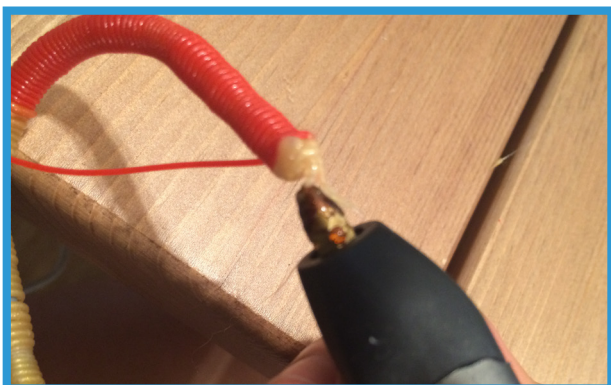

Step 3:

Doodle the ends to ensure it does not move out of place.

Step 4:

Continue wrapping the hanger up the hook.

Step 5:

To close up the strand, doodle at the tip of the hanger.

Final:

Adding these doodlers to your old hangers does not only help hold your clothes better but it blings up the entire wardrobe!
