Step 1:

Think of a Doodle to decorate your paperclip. Here, I thought of Doodling a snake.

Step 2:

While the plastic is still warm, mold it into shape. Make sure the bottom is flat. Here, I coiled up the snake's tail and bent its head forward.

Step 3:

Get your paperclip and hold your Doodle in place. Then, Doodle your Doodled piece and the paperclip together so that it doesn't move.

Step 4:

Then, start to Doodle details on!
