# Ring Jewelry Box

Step 1:

Start by doodling the pattern for the top cover of the box.

Step 2:

Attach it to the cover and doodle on the sides.

Step 3:

Attach two metallic stickers on the top and bottom of the front of the box.

Step 4:

Doodle 4 thin sheets of flexy for the insides of the box.

Step 5:

Put in the 4 sheets accordingly.

Step 6:

Doodle the corners where each meets to secure their positions in the box.

Stencil

Final:

Recreate this jewelry box design by using a different color combination!
