

## Final

Using this stencil you can create your very own Sea Turtle with our Cool Coral ABS mixed pack. Fill in all the pieces and then put them together piece by piece.

## Step 1

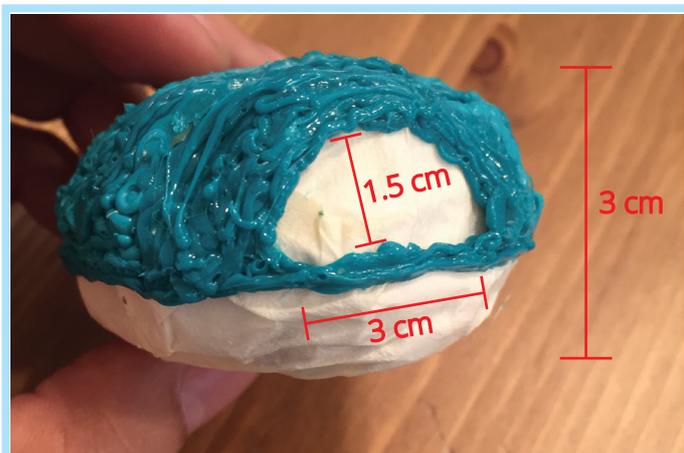

Print out the stencil and trace the pieces.  
\*Note you do not need to trace and fill in the shell and the head but only need to fill in the hands, legs, and tail.

## Step 2

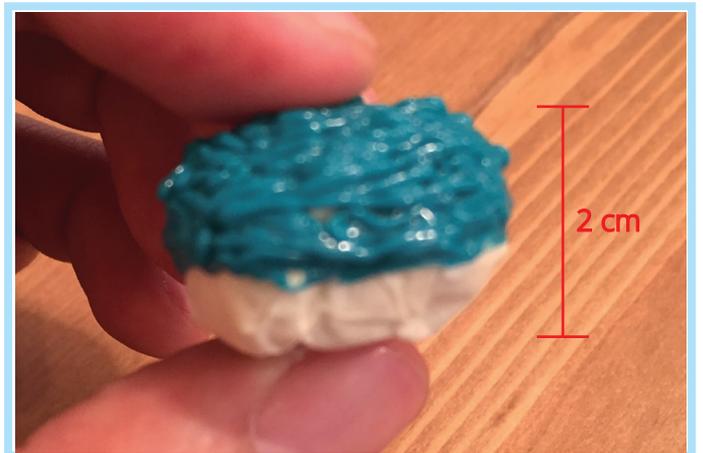

Crumple pieces of paper into the shape of the head and the shell. You can use the stencil as a guide to measure its sizes.

## Step 3

The height of the shell is at least 3 cm tall.  
Free hand doodle on top of the shell.  
After filling up the shell, remember to leave a hole that is 1.5 cm tall and 3 cm wide.

## Step 4

The height of the head is at least 2 cm tall.  
Free hand doodle and fill up the head. Remember to only doodle half of it. Repeat twice

## Step 5

After doodling the head Attach the head in this way.

## Step 6

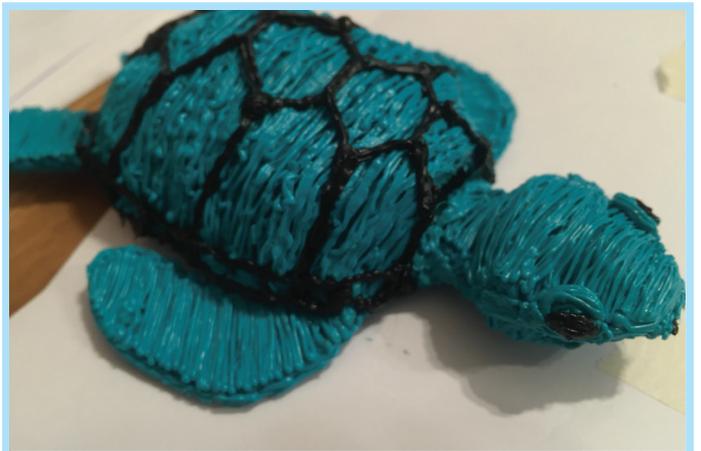

Free hand doodle the neck, which is at least 1 cm lng.

## Step 7

Turn the turtle upside down and attach the head to the shell.

## Step 8

Add the eyes, details on the shell and you are done!  
A few more of these and you have your own pet turtle.
